

# Md. ATIQRUR RAHMAN

## Software Engineer ( .Net / C# )

Phone: [+8801970091221](tel:+8801970091221)  
Email: [atiqr.rahman.himel@gmail.com](mailto:atiqr.rahman.himel@gmail.com)  
LinkedIn: [linkedin.com/in/md-atiqr-rahman-himel-702b51158](https://www.linkedin.com/in/md-atiqr-rahman-himel-702b51158)  
GitHub: [github.com/Md-Atiqr-Rahman](https://github.com/Md-Atiqr-Rahman)  
Portfolio: <https://md-atiqr-rahman.github.io/>

## Professional Summary:

Software Engineer architecting and delivering scalable, high-performance web applications using ASP.NET Core, Angular, Web API, and Entity Framework, integrated with SQL Server, Oracle, and MongoDB. Specialized in microservices architecture, Domain-Driven Design (DDD), event-driven systems, distributed tracing with OpenTelemetry, and secure API design, with a proven track record of delivering high-quality software across enterprise and remittance/financial systems. Forward-thinking and adaptable in dynamic environments, with hands-on experience driving architectural decisions, mentoring within the team, and leading security and system improvements. Passionate about clean code, system design, and engineering excellence, and committed to continuous technical growth.

## Experience

### Software Engineer

**SELISE Digital Platforms. Dhaka, Dhanmondi**

Feb. 2023 – Present

- ❖ Architected a standalone, event-driven PDF Generator microservice with STS token auth, JSON schema-based metadata, Liquid templates, Gotenberg, MassTransit, Redis, webhooks and notifications.
- ❖ EcoHubProcess (Insurer–Broker File Exchange Platform): Swiss B2B platform where brokers and insurers securely exchange XML business processes via DXP.
- ❖ Designed a CQRS architecture for broker–insurer file exchange with acknowledgment, using Scheduler, Background and High-Priority Jobs over RabbitMQ/MassTransit.
- ❖ Built services with C#, .NET 10, Web API, EF and MassTransit, and frontends with Angular 21 and TypeScript.
- ❖ Integrated SELISE Blocks, EcoHub, SendGrid and Gotenberg; deployed on Azure (Kubernetes/AKS) with Azure B2C, in Agile/Scrum.

### Junior Software Engineer

**ERA INFO TECH LTD. Dhaka, Palton**

Nov. 2019 - Jan. 2023

- ❖ Electronic Information and Database Management System (Government): built secure backend services (C#, ASP.NET MVC, Web API, EF), MIS reports and Windows Server deployment.
- ❖ e-Remittance (Bank Asia Limited): built ASP.NET Core Web API and EF Core services with Angular, RDLC reports, and Oracle Linux deployment behind Nginx.

## Programmer

**Databiz Software Ltd. Dhaka, Mohakhali**

Aug. 2018 – Oct. 2019

- ❖ Developed core modules of a Business Supply Chain Management ERP with dynamic forms and complex backend logic.
- ❖ Wrote optimized SQL queries, stored procedures, indexes, and triggers to enhance system performance.
- ❖ Created Crystal Reports and dynamic reporting solutions to improve data visibility and decision-making.

## Microsoft Certifications:

- ❖ Programming in HTML5 with JavaScript and CSS3 – **Code : 70-480** (2018)
- ❖ Developing ASP.NET MVC 4 Web Applications– **Code : 70-486** (2019)
- ❖ Microsoft Azure Administrator Associate (2025) - **AZ-104**

## Skills:

- ❖ **Backend:** ASP.NET Core, ASP.NET MVC, Web API, Entity Framework, ADO.NET, Microservices, DDD, CQRS, Event Driven, Distributed Services, gRPC, MassTransit, RabbitMQ, Redis Cache, Webhooks, SignalR, Hangfire, Azure Functions, Docker, Xunit.
- ❖ **Frontend :** Angular, AngularJS, jQuery.
- ❖ **Database:** SQL Server, Oracle, MongoDB.
- ❖ **Cloud & DevOps:** Microsoft Azure (AZ-104), Virtual Machines, Storage, Git, CI/CD Pipelines.
- ❖ **Observability & Analytics:** OpenTelemetry (distributed tracing), Datadog, Seq, Matomo.
- ❖ **Security & Integration:** JWT, OAuth2, OpenID Connect, PKCE, Keycloak.
- ❖ **AI Tools:** GitHub Copilot, Claude AI, BMAD-METHOD (AI-Agent Planning), Spec-Driven Development.
- ❖ **Reporting:** Crystal Reports, RDLC, HTML to PDF (Gotenberg).

## Hobbies & Interests:

- ❖ Cricket (inter-software tournaments, top-5 ranked bowler, opening batsman).
- ❖ Traveling & Exploring New Places .
- ❖ Reading & Learning Books.

# Project Synopsis:

|                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |

## Education:

**Professional Masters in Information Technology (PMIT) (2024-2025)**  
[Jahangirnagar University, Dhaka, Savar](#)  
IT

**Post-Graduate Diploma in Information Technology (PGDIT) (2022-2023)**  
[Jahangirnagar University, Dhaka, Savar](#)  
IT

**Diploma in System Analysis & Design with C#(2017-2018)**  
[IDB-BISEW, IT Scholarship, Dhaka](#)  
Enterprise Systems Analysis and Design - C# .NET

**Bachelor of Business Studies(2015)**  
[Govt. City College Chittagong](#)  
Management

**Higher Secondary Certificate (HSC) ( 2007)**  
[Mustafa Hakim Degree College, Chittagong](#)  
Science

**Secondary School Certificate (SSC) ( 2005)**  
[Agrabad Govt. Colony High School, Chittagong](#)  
Science
